Curtis,

Joaena also sent me an email.

I'm guessing she received an Out-of-Office reply from LaTonya, so she followed up with me.

Ben, I think you are referring to Dawn sending you an email correct? Not Joenna.

BTW, LaTonya, I didn't realize Dan was sending out this notice. We do have Brad's bio in the next issue of West Lake Update. It should be on the street tomorrow.

She sent me an email and I replied to her directly.

There is no additional updated information beyond what is included in Dan's email.

West Lake folks:

Effective November 3, 2014, I will no longer be the EPA Remedial Project Manager for the West Lake Landfill site. I've gotten another position within Region 7 and am looking forward to the change of pace.

Brad Vann will be the new RPM for the site. He can be reached at [913-551-7611](tel:913-551-7611), or at vann.bradley@epa.gov. His mailing address is the same as mine.

Please change your contact lists, mailing lists, e-mail distribution lists, etc. to add Brad's information and remove mine.

Sincerely,

Daniel R. Gravatt, PG
